CYBERTECH GLOBAL TEL AVIV 2025

MARCH 24-26, 2025

Welcome to Cybertech Global 2025, one of the premier international cyber events worldwide. This three-day summit boasts top speakers from around the globe, an extensive company and startup exhibition, exclusive special events, and unparalleled networking opportunities. Since its inception in 2014, Cybertech has rapidly expanded, fostering a robust global cyber community.

Cybertech Global Tel Aviv, set to celebrate its 11th edition in 2025, stands as Cybertech's flagship event. Drawing approximately 20,000 participants from over 90 countries, Cybertech Global consistently brings together government officials, industry leaders,

academics, businesses of all sizes, and innovative startups. Our exclusive B2B platform facilitates pre-scheduled onsite business meetings, fostering meaningful connections and collaborations.

Cybertech Global serves as an invaluable platform for sharing international knowledge, ideas, and innovative concepts in the cyber field. Our diverse sessions cover a wide array of topics, including security, logistics, finance, education, communication, investments, health, and more. Additionally, the conference features sector-specific special events tailored to address unique challenges and opportunities within various industries.
